

# Free For All – NHS supported New Years Resolutions 2017

We all want to be healthy and happy this year. What better time to form a good New Years Resolution? And what better if the New Years Resolution is free? Therefore I have put together a little leaflet pointing out a few opportunities in Bracknell, that may help you in your quest for better health. You may not know about some of the resources.

But first, [click here](#) to sign up for the Newsletter on our website for information about free self care resources in Bracknell & Ascot. We send you short and non-promotional information about opportunities that are generally free and government funded.

## **Free Weight Loss Classes with Slimming World**

If you are obese (BMI over 30, for a [BMI calculator click here](#)) you qualify for a free slimming world voucher from your GP surgery. They may print it for you or ask you to make a nurse appointment. (Note, if you have diabetes you even qualify with a BMI of 28)

## **Free / reduced cost Gym membership**

Go and see your practice nurse for a so called “Activate” Referral for free / reduced price exercise.

## **Health Walks**

One, two and three mile walks with a visit to the cafe afterwards. Every Saturday at 10.30am. Call 07443 499207 for more information. Postcode: RG12 7DE.

## **Sandhurst Health Walks**

One hour walk, open to all abilities. Monday to Friday, 9.30am. Start from Sandhurst Town Council, Yorktown Rd, Sandhurst, Berkshire GU47 9BJ. **Call 01344 774754**

Summer evening walks for people of average fitness are also available from Horseshoe Lake car park on Wednesdays at 7pm, starting on Wednesday, 27 April. Visit the Health Walks website for more information.
